

SAP Licensing

Elevate your HR solutions with SAP Licensing from Zalaris. Whether you opt for our Value Added Reseller (VAR) subscription services or Partner Managed Cloud solutions, our flexible models and experienced team guarantee a tailored SAP experience that aligns with your business needs.

Overview:

At Zalaris, we provide comprehensive end-to-end HR solutions, including flexible SAP Licensing and Subscription services. Our offerings range from reselling to bundled outsourcing, aligned with your business needs. With a trusted SAP partnership, we collaboratively tailor subscriptions, offering cash-flow friendly terms. Our dedicated service team ensures optimal subscription use. Moreover, we offer Partner Managed Cloud Services (PMC), bundling SAP SuccessFactors Subscription Services with offerings like AMS and payroll processing. This ensures system upkeep throughout the subscription, letting clients focus on core HR and payroll functions, backed by our SAP SuccessFactors experts.

The suite of services include:

- SAP Value Added Reseller (VAR) subscription services
- SAP Partner Managed Cloud (PMC) services

What makes SAP Licensing services by Zalaris unique?

- Zalaris provides a comprehensive suite of HR solution services, ranging from basic subscription reselling to full outsourcing (BPO) bundled with subscriptions.
- Provides a dedicated Service Delivery Management team that works collaboratively with clients' key stakeholders.
- Offers the option to bundle SAP Subscription Services with other ongoing service offerings, such as Application Management Services (AMS) and user adoption services.
- Zalaris operates as a Partner Edge SELL (PESELL) Partner of SAP across multiple countries, extending its services and expertise to a diverse range of clients globally, comprehensive outsourcing services.

Benefits of the service:

Choose Zalaris for SAP Licensing to enjoy benefits such as flexible commercial models and a dedicated service delivery management team. Our partnership with SAP enables us to offer tailored SAP subscription services aligned with your business needs.

With our SAP Licensing Service, you can select from various commercial models that suit your budget and requirements. We ensure your cash flow remains unaffected, whether you choose a reseller model or a comprehensive service-based model that includes outsourcing. Our dedicated service delivery team works closely with you to maximise the value of your SAP investment and ensure efficient subscription usage.

The SAP Licensing service provided by Zalaris also grants access to the latest SAP SuccessFactors modules, helping you adapt to changing business needs and stay competitive. Our expert team is available to provide continuous support and guidance, ensuring your SAP solution is always up-to-date and running smoothly. Trust Zalaris with your SAP management, allowing you to focus on core business operations.

How does this elevate your HR and payroll?

SAP Licensing service by Zalaris revolutionises HR and payroll functions by offering a comprehensive suite of SAP SuccessFactors modules through flexible subscriptions. This streamlines processes and optimises workforce management. With Zalaris' strong SAP relationship, clients receive aligned subscriptions, access to latest updates, and technological advancements.

Through SAP Licensing, Zalaris enables businesses to focus on core competencies by providing reliable and cost-effective HR and payroll solutions. Bundling SAP SuccessFactors subscriptions with additional services like application management or comprehensive outsourcing, Zalaris can be your end-to-end SAP services partner. Zalaris' dedicated service delivery management team ensures effective subscription usage and ongoing support to maximise your SAP investment's value.
